

REMARKS

A Notice to File Corrected Application Papers ("Notice") was mailed on June 12, 2007. The Notice indicated that the specification of 12/22/04 does not contain a brief description of Figure 8, which is included in the drawings of the same date, and requested correction.

The undersigned contacted Mr. Don Fairchild of the Office of Patent Publication regarding this Notice. Mr. Fairchild suggested adding a brief description of Figure to address the minor informality. Thus, in view of this suggestion, the Applicant has amended the specification to add a brief description of Figure 8 to address the minor informality. No new matter has been added by the amendment. Entry and consideration of this amendment limited to correction of the informalities identified in the Notice are respectfully requested.

In view of the foregoing, the Applicant respectfully requests issuance of the allowed application.

CONCLUSION

Based on the foregoing amendment and remarks, the Applicant respectfully requests issuance of the application.
